- 2. Participation** – Entrants may participate as many times as they choose. The first six (6) games will be the first entry. Any person who bowls under an assumed name, or assumes the name of another, shall both individually and collectively forfeit their entry and prize money. All persons connected with the affair shall be subject to suspension from the United States Bowling Congress. No entry money will be refunded if it is discovered that an individual has failed to comply with the rules and eligibility requirements of the United States Bowling Congress and this tournament.
- 3. Walk-In Entries-** All walk-in entries must be paid in cash. We strongly suggest entering by mail. All walk-in and re-entries will be served on a first come basis, space permitting. Walk-ins and re-entries must register 30 minutes prior to squad time at the registration desk.
- 4. Averages-** Each participant must use their highest USBC certified average of 21 games or more for the 2023-2024 bowling season. If the bowler has no certified average for the 2023-24 bowling season, they shall use their highest certified average of the 2024-25 season of at least 21 games or more as of October 26, 2024. Entrants must provide proof of that average with a dated league sheet if using the 2024-25 average. Challenge/Sport averages will be converted for this tournament using the USBC conversion Chart. Entrants without a certified average will be bowling scratch with zero handicap. The Tournament Director reserves the right to re-rate any bowler based on criteria and information. Bowlers who refuse the re-rated averages will have their tournament entry fee refunded.

4a. USBC RULE 319a-2, 319c, 319d, and 319e WILL BE ENFORCED. It is the bowler's responsibility to be certain that their correct entering average is used. The use of an incorrect average or failure to report a correction prior to the completion of the first game of a series shall be grounds for disqualification of the score, if the submitted average is lower than the actual average or cause the score to be based on the submitted average if it is higher than the actual average.

- 5. Handicap-** Handicaps will be 100% of the difference between the entrant's average and a base of 240.
- 6. Prizes-** All prize money shall be returned 100% on a ratio of at least 1 in 7 entries. All prizes are awarded on a handicap basis only. 1st place winner in each division will be eligible for a paid entry into the USBC National Senior Tournament. **To be held August 5-8, 2025, in Fort Worth, Texas.** In the event that they do not want to go, the 2nd place winner may go, but the MAUSBC Association will not pay the entry fee.
